

2021 VISION

SOS
JAY COOPER
MINISTRIES

2020 was unprecedented times in our nation and around the world. I believe it is about to be as brand new as “Pentecost” was during the times of the New Testament. We have not passed this way – ever – and there are no road maps; only the Holy Scriptures, Jesus Christ, God the Father, and the Holy Spirit.

Before March 2020, none of us could’ve imagined what lied in store and the impact it would have on our societies and on our lives. We were shaken to the core and catapulted into a new reality. However, God is using this “shaking” to break us out of our molds and transform us. It is time for a great harvest of souls. It is time for revival. It is time for reformation. We are at war. We need to contend for the Faith. God is revealing the spiritual forces of evil in order to overcome this new decade. We are going to need to fight in prayer.

2 Chronicles 7:14 calls us to humble ourselves and pray.

At SOS, we began to pray and seek God’s face. We began prayer initiatives for our city. We called for 10 days of prayer and fasting. We were honored to pray over elected officials. Pastor Charles Flowers from San Antonio came to speak on race relations to a group of pastors – white, Hispanic, black. God called us to an all-night prayer service. We prayed for our nation from 7:30pm to 7:30am. God moved in incredible ways!

2021 is going to be a year of battle. It will be a year of standing in the fire. But, God’s declaration over it is this: Isaiah 59:19, “When the enemy comes in like a flood, the Spirit of The Lord will [raise] a standard against him” and the Lord says “my arm is not too weak to save you; my ear not to deaf to your cry” (Isaiah 59:1).

God will move to drive back the darkness that has overtaken our nation, as in Exodus 15:3. It is the year of the Lord’s favor and He is re-establishing His justice on the earth. As all of this is happening, the unity between the Body of Christ will increase as we are consumed with a passion for His name. This will make the Ekklesia, the called out ones, virtually unstoppable as the Lord releases His blessing. He is going to use those who know how to use the authority He gives us to say, “Lord I’m available, use me for your Glory.” At SOS, we will be available. **THANK YOU FOR STANDING BESIDE US IN THE PAST AS WE BOLDLY STEP FORWARD INTO 2021.**
