155

kids & teens attended camps

300

volunteers served in different areas

170

Women attended our ladies events

took **70**

kids & teens back-to-school shopping

JJ'S VISION FOR 2023

2022 was the year of God's signs, miracles, and wonders throughout our ministry. This year, as we prepare to celebrate 30 years of ministry, we are thankful for the souls that have come through our doors, and the blessing of a new year.

In the beginning of 2023, God gave me a new vision, "Getting Engaged in the Fight." We are in a war. And, God has equipped us to WIN. 2023 is the tipping point. There's a battle between light and darkness which is way beyond the things of this world. God is calling those that are willing to get on their knees and fight in spirit. It's time for the church to arise and for the enemies of the church to be scattered.

The scripture God gave me is Daniel 7:21-22. It's time for the saints to possess the Kingdom. This is the year to take a step further and be a part of God's Kingdom that is above any religion and any denomination. God is rendering His verdict in 2023, and it is in favor of the saints.

There are 3 things God showed me. First is "Harvest of Souls" in 2023. God will bring more souls to His Kingdom and harvest more hearts for His glory. We will see those who were once against God turning towards Him, and there will be evangelism throughout the world like never before.

Next is "The Rise of the Remnant." God is reforming the body and getting it ready. He wants our old wineskin to be renewed so He can pour into it. This year the remnant will stand and speak against the systems that have oppressed God's people for centuries.

This year ends with a 3 in both Hebraic and Gregorian calendars. 3 means "Gimel" in Hebrew. It is also the third letter in Hebrew alphabet, and it glorifies the third Person in the Trinity: the Holy Spirit. God is giving us a new corporate move of the Holy Spirit. 2 Corinthians 3:17 says where the Spirit of the Lord is, there is liberty. This is the year to be set free of what was holding us back in spirit.

Let us make 2023 the year to turn & pursue God. He is going to bring salvation to the Brazos Valley by harvesting more souls, rising the reformer remnants, and pouring His Spirit into our community. This is the year of the great harvest and I am so grateful SOS will be a part of it!

God bless you,

Founder & Director
