JJ'S VISION FOR 2025

I am excited about the opportunities God has for us in 2025 to speak and show the love of Jesus. This is our time to come alive and thrive in 2025. Like the sons of Issachar, we understand the signs of the times and see that this year is a window of opportunity for the Church. The Church must awaken, before the nation can awaken.

The year 2025 in the Gregorian calendar aligns with the Hebrew year 5785. The fifth Hebrew letter, “hei”, means “breath”. The recurring fives in this year indicate a double portion of breath, of the Holy Spirit, and God’s grace. God is ready to breathe on Man, as He did in Genesis to awaken Adam. His breath is coming to change both the Church and the unsaved. It’s time for the Church to stand up, wake up, and speak up.

We must live a life that brings as many people to Christ as possible. We’ve been in a time of “churchianity”. Younger people are wanting to see if Jesus is real. The best way they can see if Jesus is real is to see Him through us. Our prayer life must be greater, so we are filled with God’s presence. We must be in the Word. We must be hungrier than before, so we can be aware of what is happening around us and discern what is real and what is not. May God make us wise as serpents, yet innocent as doves.

Our confidence and trust can only rest in the Lord- not in man. The 2025th verse of the Bible says, “It is better to take refuge in the LORD than to trust in people.” -Ps. 118:8. Only God can save us. Our trust in Him cannot be shaken; He will keep us in perfect peace if our eyes are on Him. As we trust, we will pray and prepare for greatness amidst great storms.

In our busyness of life, we cannot fall to distraction. Distraction is destruction of our dreams in slow motion. We must be laser focused on what God is doing in us and around us. We don’t want to miss our assignment in 2025. God is going to pour out His Spirit on us with authenticity. A gift only gives you ability, but anointing gives you a calling. God will anoint ordinary people to do extraordinary things.

As God works through us, we will come alive and thrive in 2025. At SOS, we believe God honors bold prayers, and our prayers for big things honor God. Pray boldly with us for a year of extraordinary harvest!
